Dear Mrs Dee,

I am very pleased to tell you about the progress of the Shelterbox project to which your school has made such a generous donation.

Woodley CofE Primary School donated in total the magnificent sum of £2,288.62. I remember Roger Longhurst talking in your assembly in April about Loddon Vale having sent Shelterboxes to Nepal, and your instant response, supported by your children, of the school's offer to send another. You have done far more than that. The cost of each box is £650, and our Treasurer has added other lesser monies to what you have given. One member made a personal donation of £200, the club has claimed £572.15 as gift aid, and these sums, together with £189.23 from Loddon Vale's club account, have been added to your school's gift. This makes a total of £3,250, a sum which is enough to buy 5 Shelterboxes.

It is the generosity of your parents, staff and children that is responsible for this wonderful gift which will help many people in Nepal get through this difficult time. We have sent an order for 5 Shelterboxes, specially noting that all 5 have been ordered on behalf of Woodley Cof E Primary School.

As President of the Rotary Club of Loddon Vale, I send you the grateful thanks of all our members.

Yours,

Anne Coulson
