YOU WILL NEED

- ✓ Black card A2 size
- ✓ Pencil
- ✓ Ruler
- ✓ Scissors
- ✓ Stapler
- ✓ Double-sided tape or sticky fixers
- ✓ Downloadable hat and eye patch template

TO MAKE THE PIRATE HAT

1. Cut a 4cm wide strip of black card so that it is long enough to fit around your child's head. Staple the ends together to make a headband. Cover the staples with tape to protect your child's head.

2. Download and print the **hat and eye patch template**. Cut out the hat shape and place it on the black card. Draw and cut around the hat shape twice to make two black 'hats'.

3. Use double-sided tape or sticky fixers to attach one 'hat' to the front of the headband and one to the back. Cut out the **skull and crossbones** from the hat template and glue it to the front of the pirate hat. There you have it!
