Dear Parents & Carers,

Following the Ofsted inspection that took place in April, the governing body and I are delighted that Woodley C of E remains a good school. The inspection took place over two days, and all children and staff fully engaged and participated in the process. We are incredibly proud of all the children, and as usual, they showed the inspectors what a wonderful community we are and how the children thrive in this environment. I would like to thank all of the staff for their tireless hard work for our school and unwavering focus on developing our BRIGHT learners.

The inspector highlighted how our pupils live up to the school's values, benefiting from a range of curriculum enrichments, and learn deeply. This was great to read and demonstrates that these values are embedded in the culture at Woodley C of E. It was identified that leaders have high expectations, and as a result, behaviour was exceptional.

As parents, I am sure you will also be incredibly proud to be part of the Woodley C of E school community.

Well done, Woodley C of E!

Kind regards,

Gemma Plowright

Chair of Governors
