

Y1 & 2 - Easter Home Learning Challenge – Wk1 (6th – 12th April)

Year 1&2 Wk1 - Complete 15 stars (Total for 2 weeks) ✓ Upload your digital documents/photos to your files area in E-Schools. Some activities have files on Eschools - Go to 'me' then 'my files' then 'shared with me' to see them	Challenge 1 ★	Challenge 2 ★ ★	Challenge 3 ★ ★ ★
	Remember/Understand	Apply/Analyse	Evaluate/Create
I enjoy reading, writing and speaking	Read the Easter story or watch this video and create a story map using pictures and key words. You can do this on paper or in Purple Mash on the paint a picture section.	Collect items in nature (from your garden or out on your daily walk) and create a piece of art in the style of Andy Goldsworthy- click this for examples . You could take a photo and upload to your Eschools Easter folder. (See links below for more details).	Write an Easter Diary of what you are getting up to at home in the holidays. This should include at least 5 entries. Don't forget your full stops and capital letters. You could also include: adjectives, joining words and other punctuation such as question marks and exclamations.
I enjoy working with numbers and science	Watch this Super Movers video to practice your 2's, 5's and 10's time tables.	Complete one of the interactive drawing activities on this link .	Create your own maths game using resources you already have at home. For example: Easter word problems or follow link for more ideas
I enjoy painting, drawing and visualising	Make an Easter card for your family and write them a message inside. Remember to use a capital letter for their name.	Create your own Easter egg. Decorate it using a repeated pattern and different 2D shapes. You could use a variety of resources you have at home e.g. pens, pencils, paint or collage.	Create an invitation for the best Easter party you can imagine. Think about what kind of food you're going to have and games you're going to play.
I enjoy doing hands-on activities	Take part in the Easter stretching activity. Follow link for video	Read the Easter story or watch this video and write the story using whatever publishing tool you want! For example: Word, Purple Mash or you could use paper.	Create and set up your own treasure hunt around your home or garden. You could make eggs to hide, chicks or you create your own phonics cards to hide and read.
I enjoy listening and making music	Listen to and sing along to 'Spring Chicken' by following this link to YouTube.	Listen to the music on this link and then create your own dance. Try to keep to the rhythm of the song and your movement patterns keep to the beat. Your grown up can video your dance to share with us!	Use junk modeling resources at home to create your own musical instrument. For example: Egg shaker

Y1 & 2 Easter Home Learning Challenge – Wk2 (13th – 19th April)

Year 1&2 Wk2 - Complete 15 stars (Total for 2 weeks) ✓ Upload your digital documents/photos to your files area in E-Schools. Some activities have files on Eschools - Go to 'me' then 'my files' then 'shared with me' to see them	Challenge 1 ★	Challenge 2 ★ ★	Challenge 3 ★ ★ ★
	Remember/Understand	Apply/Analyse	Evaluate/Create
I enjoy reading, writing and speaking	Watch this video about Spring time. Discuss with your family what happens in Spring.	Share a book with your family. It could be an Easter story or another one of your favourites. Design a different front cover for the book after you have read it.	Create an acrostic poem for Easter with Easter going down the side. Click here for an example of this.
I enjoy working with numbers and science	Play the toy shop money game using this link and select the level of challenge appropriate to you. Select which coins you would use to pay for the toy.	Collect suitable items from around your home and test to see if they float or sink.(Please ask your grown up before you do this challenge). Record your findings. You could record them in a table.	Research all about rabbits or chicks using kiddle.com. Create a fact file or poster with scientific facts on it such as: habitat, food, predators, animal type etc.
I enjoy painting, drawing and visualising	Design and make your own Easter paper chains and decorate your bedroom with them.	Go outside into your garden to look for the signs of Spring or watch the following video for inspiration. Create a picture of your favourite thing about Spring. You could draw, paint or create a collage.	Create a self-portrait (or any other picture!) using only natural objects from your garden. You could use grass, gravel, stones, leaves, flowers or anything else that you can find!
I enjoy doing hands-on activities	Take part in the Easter Go-Noodle video. Click here for the link	Go on a bug hunt around your garden or on your daily walk. Record which insects you find. You could draw pictures or take photos too.	Use the seeds of a fruit (e.g. apple, pear, tomato, strawberry) and see if you can get it to grow! Think about the best place to plant it, e.g. in the sunlight and don't forget to water it!
I enjoy listening and making music	Listen to the song 'Happy' Clap along to the beat of this song.	Go outside in your garden. Make a list of everything you can hear. Can you identify which birds you can hear?	Listen to the song 'five little monkeys swinging from a tree'. Create your own number song using different animals and actions.
