

# Y3 & 4 - Easter Home Learning Challenge – Wk1 (6th – 12th April)

Year 3 & 4		Wk1 - Complete 15 stars (Total for 2 weeks)		Wk2 - Complete 15 stars (Total for 2 weeks)	
✓ Upload your digital documents/photos to your files area in E-Schools. Some activities have files on Eschools - Go to 'me' then 'my files' then 'shared with me' to see them		Challenge 1		Challenge 2	
		★ Remember/Understand		★★ Apply/Analyse	
I enjoy reading, writing and speaking		Write a story using the pictures below – a magic wand and a fire in the dark. 		Read the Easter story and write the story using whatever publishing tool you want! (See Easter Grid Resources in e-schools file.)	
I enjoy working with numbers and science		Play this rounding number game: <a href="#">Rocket Rounding</a> How far can you go? Remember to challenge yourself		Look out of the window, spot a bird, <a href="#">research</a> it and produce a factfile.	
I enjoy painting, drawing and visualising		Make an Easter card. You could get an idea from <a href="#">here</a> .		Find things around the house that are the colours of the rainbow. Place them in order and take a photo. <b>Further challenge:</b> can all of your items fit on a dinnerplate? Take a photo.	
I enjoy doing hands-on activities		Research <a href="#">Andy Goldsworthy</a> 's art. Find pieces of nature from your garden and make your own piece of art from it.		Draw your own Easter eggs. Hide them around your house and then create a map to help someone in your house find them.	
I enjoy listening and making music		Using household objects, make a band. What items have you used to make particular noises?		Pick your favourite song on <a href="#">Kidzbop</a> and create your own dance routine to the song.	
Useful Videos (click the text)					
<a href="#">How to use the files area in Eschools</a>		<a href="#">Fun maths games</a> , including <a href="#">chess</a> .		Discover facts about nature and the world with <a href="#">National Geographic Kids</a>	
				Learn more about electricity. Watch <a href="#">videos</a> and look at books and videos in Epic.	

# Y3 & 4 - Easter Home Learning Challenge – Wk2 (13th – 19th April)

<b>Year 3 &amp; 4 Wk2 - Complete 15 stars</b> <b>(Total for 2 weeks)</b> ✓ Upload your digital documents/photos to your files area in E-Schools. Some activities have files on Eschools - Go to 'me' then 'my files' then 'shared with me' to see them	<b>Challenge 1</b> ★	<b>Challenge 2</b> ★ ★	<b>Challenge 3</b> ★ ★ ★
	Remember/Understand	Apply/Analyse	Evaluate/Create
I enjoy reading, writing and speaking	Read a book on EPIC! Write a book review recommending it to other people in your class. Did you enjoy it? Why?	Write a 100 word story using the prompts on <a href="#">here</a> .	Write a poem for EASTER thinking about the Easter story (it could be an acrostic poem). Decorate it and get someone to film you reading it.
I enjoy working with numbers and science	Write or draw a timetable of your day or Easter weekend. Draw clocks and write the start and finish time of each activity. How long did each activity last? Write the times in 12-hour and 24-hour times.	Have a look at this <a href="#">website</a> : and create your own egg drop challenge.	Make a Lava Lamp using household objects (See Easter Grid Resources in e-schools file.)
I enjoy painting, drawing and visualising	Look at these <a href="#">videos</a> to create your own sketchbook of drawings over the week.	Draw your own <a href="#">comic strip</a> showing the Easter story.	Make a 3d collage for a Spring or Easter display.
I enjoy doing hands-on activities	Make a boat, out of things you can find around the house, that holds the weight of one of your toys and float it across your bath.	<a href="#">Blow</a> out the centre of an egg and then decorate the shell. You could use pens, paints or stick things on.	Make an Easter Bonnet out of items from your recycling box – remember to wash them first and to upload a photo!
I enjoy listening and making music	Teach the 'Spring Chicken' <a href="#">song</a> to your family and have fun singing it together. Record yourself singing and dancing.	Listen to <a href="#">Mendelssohn: Spring Song</a> . Draw a picture to show how the music makes you feel.	Italian composer, Antonio Vivaldi composed a musical piece for <a href="#">Spring</a> . If you were to write a piece of music for Spring, what instruments would you use? Write the sounds that you would put in your piece, from nature.
<b>Useful Videos (click the text)</b>			
Check out the ' <a href="#">How to...</a> ' Videos on CBBC Newsround about staying well and safe at home.	See the Lego challenge ('shared with me' in Eschools files). How many can you do? What is your favourite?	Explore the <a href="#">Harry Potter at home site</a> , find out more, do some <a href="#">puzzles</a> and perhaps write a spell-poem that would tell us your favourite book or book character.	Watch <a href="#">Newsround</a> – keep up-to-date on the news and positive things that are going on in the world.

**I enjoy looking after my  
body and mind**

Write and decorate a letter or create a postcard to send to someone you are missing e.g. a friend or grandparent.

Play a game of Fitness Monopoly (See Easter Grid Resources in e-schools file).  
Change some of the exercises for your own.

Create your own [Joe Wicks style](#) work out. Record it and enjoy working out with your family. [Take your pulse](#) before and after to note the change (you may need help).

**I enjoy looking after my  
body and mind**

Go on a safari walk. Notice as many birds, bugs, creepy-crawlies, and any other animals as you can. Anything that walks, crawls, swims, or flies is of interest, Focus all your senses to find them.

Create a [yoga sequence](#) inspired by spring. Record it and upload it to Eschools.

Write a note or draw a picture to say thank you to the key workers who are helping to keep us safe. With permission you could post your message [here](#).
