Dear Parents and Carers,

Ofsted Inspection

As you are aware Woodley CofE Primary School underwent an Ofsted inspection on the 17th and 18th of April 2024. We are delighted to let you know that as expected "Woodley CofE continues to be a 'GOOD' school.

This achievement is a true reflection of the dedication and hard work of all our staff, the fantastic support of our parents and carers, and the exceptional qualities of our wonderful children.

We were particularly pleased that the school curriculum was considered to be "well-considered and ambitious with particular strengths in reading and maths.

We will continue to work to ensure the school remains at this high standard, and have already started working on our one development area. As a school, we are actively working to tighten the quality of knowledge mapping in a small number of foundation subjects. We are also fully committed to ensuring that every aspect of our school continues to flourish and evolve.

Attached to this email is a highlights poster that captures some of the positive comments written in the report.

We would also like to invite all our families to read the full Ofsted report which can be found on our school website by clicking [here](#). This will enable our families to gain an insight into the inspectors' findings and observations. Additionally, the report will be available on the Ofsted website in the coming days.

A message from our Chair of Governors – Gemma Plowright - is also available on this page of our website.

We believe that Woodley CofE is a Special place and with your support we will continue to strive in excellence and provide the best possible learning experience for our children.

Best Wishes,

Mrs Lousia Gurney
